# PROTECTION PLUS

## PROTECT YOUR MOWER.

Your mower is essential to your lifestyle, and a solid repair and maintenance plan will help you rest easier. Safeguard your machines with Protection Plus® limited extended warranty. This limited extended warranty plan from Bobcat allows you to purchase additional protection for your mowers, and it goes well beyond the scope of the standard Bobcat warranty.

## WITH OPTIONS UP TO 60 MONTHS AND 2,500 HOURS, YOU PICK THE PLAN THAT'S RIGHT FOR YOU.

The Protection Plus limited extended warranty provides you peace of mind and flexibility. Depending on model, when you purchase an extended warranty for your mower, you can extend your warranty by 12 months or 24 months and up to an additional 500 hours (electric power mower technology excluded).

## WHAT DOES YOUR LIMITED EXTENDED WARRANTY PROVIDE?

- **Peace of Mind:** For a small investment, you can protect your Bobcat® mower with additional warranty coverage to minimize your repair costs. If machine issues do occur, you know in advance that you are covered.
- **Risk Management:** By providing a comfortable shield of protection against repairs due to defects in materials or workmanship, an extended warranty greatly decreases your exposure to financial risk.
- **No Deductible:** Your Protection Plus extended warranty policy pays for the cost of any warrantable repair, with no deductible required.
- **Higher Resale Value:** If you sell your mower, any remaining Protection Plus extended warranty coverage can be transferred to the new owner. The extended warranty also tells a prospective buyer that your machine received superior care and maintenance.
- **Backing From Bobcat:** The Protection Plus extended warranty is fully backed by Bobcat to ensure you'll be as confident as we are in our products. It includes factory-backed parts and labor coverage, and it's honored at any authorized Bobcat dealer.
